

Lunches TO GO

35-40 Packed Bag Lunches

Each bag should include:

- **One sandwich** - please make a variety; examples include ham, turkey, peanut butter and jelly. **PLEASE do not send all PB&J! If at all possible, pack condiments separately.**
- **Snack size container of snack foods** such as raisins, dried fruit, crackers, cheese and cracker snack packs, chewy or granola bar.
- **Small bag of chips or pretzels**
- **Fruit** (apple/orange/fruit cup packed in fruit juice, not syrup)
- **1 or 2 cookies, brownie, etc.**
- **A small bottled water or juice box** (please wrap the bottle in a plastic bag so that the condensation when cooled will not moisten the lunch bag too much)
- **Optional** - a note of encouragement

****Please write the package date on each bag.**
